Luxury Seating For The Home Theater

A Classic Design Combined with Comfort and Luxury

## VEDETTE CHAIR

### Features:

**Fine European pigmented and semi-aniline leathers**, available in 3 leather grades, ranging in 50 colors. Microweb, a suede-like fabric and many other fabrics are available, or COL/COM upholstery.

**Manual pneumatic, or dual motorized steel reclining mechanism**, allows the backrest to adjust, independent from the footrest, to obtain the perfect viewing position, while ensuring ultimate comfort.

**Black or silver push button control module** for operation of reclining mechanism is seamlessly integrated into the armrest.

**Raised back with articulating headrest** is available in two designs and allows for desired viewing condition with optimized head and back support.

**Double backrest cushioning**, with high-density foam and a zigzag seat support, promises years of comfort and performance.
