

THEATER CINEMA

Luxury Seating for the Home Theater

Redefining Custom Theater Seating

FORTUNY INCLINER

Features:

Fine European semi-aniline leather, available in 3 leather grades ranging 70 colors. Microweb (suede-like fabric) and customer supplied option available (COL/COM).

Stainless-steel inclining mechanism - available in manual (pneumatic), 1 motor or **dual motor** reclining versions. Our dual motorized system allows for the backrest and footrest to operate independently from one-another.

A black or silver **push-button control** module is seamlessly integrated into the armrest for operation of reclining mechanism (see back).

Fully articulating headrest allows for desired viewing condition and proper head/neck support. Option available with motorized control (use of additional push-button control).

Hand-cut foam cushioning: high-density promises years of comfort and performance.

Custom made-to-order allows for vast range of personalization to fit individual home theater design and user requirements. Standard wood color choices:

The following **options and customizations** are available:

- Contact closure and IR control of reclining mechanism
- Crowson Motion™ integrated tactile effects system
- Battery operated reclining mechanism
- Control console between seats
- **Adjustments to firmness of foam**
- **Memory/Tempur-Pedic™ foam**
- **Vibration massage system**
- Embossing and embroidery
- **Custom seating dimensions**
- **Electronic lumbar support**
- Cupholders (black or silver)

handcrafted in Belgium - adored worldwide
